COYOTE MARCHING BAND FACT SHEET

Established in 2009 and currently under the direction of Matt Kozacek our band program has seen tremendous growth and progress. We have a full band program that includes jazz, concert, and wind ensemble along with marching band, winter guard, and winter drumline programs. We also have a special needs mentor program in conjunction with United Sound. ***Band is a way of life and you are sponsoring the hardest working band in Arizona!*** How do we know that? Growth and award recognition is the bottom line and we have seen results like no other program:
Our jazz program received its first SUPERIOR rating at the State Jazz Festival. Wind Ensemble received an EXCELLENT rating at State competition. Both programs received a GOLD rating competing in Anaheim, CA. Our winter drumline program was moved up 2 competition classes in 2016 and came in second in Scholastic A. Winter guard were 2016 *Regional A Champs.* Our talented students have been a part of the National Youth Orchestra of the USA, US Army All American Marching Band, and Regional Honor Band and Orchestra.
