

COYOTE PRIDE HIGHLIGHTS

Established in 2009, led by Matt Kozacek, Director of Bands, our band program has seen tremendous growth and progress. We have a full band program that includes jazz, concert, and wind ensemble along with marching band, winter guard, and winter drumline programs. We also have a special needs mentor program in conjunction with United Sound. ***Band is a way of life and you are sponsoring the hardest working band in Arizona!*** How do we know that? Growth and award recognition is the bottom line and we have seen results like no other program.

In 2016 - 2017, our programs were recognized:

Coyote Pride Marching Band – 4th place in Div II (ABODA) and 2nd place in 3A (AzMBA)

The 2017 - 2018 school year is already off to an incredible start! Marching Band camp will be held on campus the last week of July and conclude with a performance for family and friends. Our marching band has been invited to play the National Anthem on Aug. 13th at the **Dbacks vs. Cubs game at Chase Field!** This will be a televised game and provides a fundraising opportunity for us. In March of 2018, the Wind Ensemble and Jazz bands will perform at **Carnegie Hall!** We are eager to the continued growth of all band programs and able to accomplish these things because of people like you!
