

**CAMPO VERDE HIGH SCHOOL BANDS  
BAND PARENT ORGANIZATION  
2016-2017**

We would like to thank you for your interest in our program and its goal to continue to provide a high level of music education and overall fine arts experience for our students. Our programs are in need of your support either financially or through services and materials that you may provide.

The cost of our competition and festival fees, transportation, uniforms and equipment maintenance and auxiliary instructors' salaries are the bulk of our expenses with the majority of these costs having to be covered by student participation fees, parent support, fundraising events and community/corporate sponsorships. These expenses are far beyond that which is provided by the State of Arizona, Gilbert Public Schools and Campo Verde High School.

This year, the Band Parent Organization (BPO) has several goals that require support from our parents, our school, and our community. These goals include raising enough funds to purchase new marching band uniforms, paying for music equipment, sponsoring United Sound student enrollments, boosting moral for the band program, and generating enough funding to lower next year's fees.

This is where you, your networks, and your organization or business can assist us. In the attached pages, we have outlined several opportunities to either donate or sponsor the band program at CVHS. Please remember that your contribution will be supporting our youth in their pursuit to enrich themselves and the local community.

Just ask yourself "What is a football game without a marching band?", "What is a music video if no one knew how to play the instruments?", "What if you watched Star Wars and there was no soundtrack?"

Help us to create a well-rounded educational experience for our students so they can become our soundtrack!

Thank you again for your support,

Rene' Nasluchacz  
President
